## CHAIRPERSON'S MESSAGE

I would like to express my gratitude to our donors, volunteers and our staff members for their work and contribution in the year. ABWT has carried on its regular projects along with new projects depending on the need of the hour. The floods that ravaged parts of Pakistan left millions without shelter and support. The climate emergency is as serious as ever and it requires a joint response from all of us. ABWT was on ground in Rajanpur to provide rations to families who had been affected. I would like to express my deepest gratitude to our friends of ABWT and donors for their support for flood effected people and in distribution of ration packages and blankets in the most effected areas of Rajanpur and KPK Charsadada.

After fund raising tirelessly for our Kidney Dialysis Center, I would like to thank the Turkish delegation for installation of new RO plant and renovation of the center. Thanks also to M.S THQ and C.O Health for their contribution.

The provision of clean water is one of our most important projects falling under W.A.S.H (Water, sanitation and hygiene) A special thank you to Mr. Farooq Akram and Sheikh Asad ur Rehman for the installation of 4 water filtration plants that will benefit hundreds of people. Mr. Farooq Akram Sahab has also graciously sponsored 25 collective marriages of orphan girls. Qatar Charity also contributed in this project by sponsoring sewing machines.
