## CHAIRPERSON'S MESSAGE

I would like to extend my sincerest gratitude to our friends and family of ABWT, our Patron in Chief Manzoor Ahmad Wattoo, our Board of directors, esteemed philanthropists, our international donors and provincial and federal government who have supported our projects and our vision at every turn.

At ABWT we envisage a Pakistan where everyone has access to food, health, quality education and is free from poverty. This vision is the basis of all our projects. Continuing our mission forward this year we collaborated twice with Qatar Charity for ration distribution benefitting almost 500 families.

We also assisted flood victims who are still suffering from a lack of basic necessities. In the field of health, we are working tirelessly on our wheelchair and artificial limb program pairing patients with doctors and donors who support their treatment. Our work for general patients has continued this year. We also began a new program by the name of Jindran Kalan Model Village.

This program in collaboration with our board member Sheikh Asadur Rahman who has installed a water filtration plant in the village benefitting hundreds of residents. In the same village, we distributed sewing machines to skilled women workers in an effort to boost women empowerment and to give these women a chance to be equal bread winners of the family. An exhibition was held to show the products made by these women in Lahore.

This year we also began work on our orphan

RUBINA SHAHEEN WATTOO

Chairperson, ABWT

sponsorship program seeking to pair orphan children with donors. Alhamdullilah 17 children were sponsored by Muslim World League in Makkah, Saudi Arabia. Our goal is to facilitate the sponsorship of all our orphan cases. Our ongoing projects including Vocational training center, Kidney Dialysis Centre, Collective marriages, Boongi Ram Singh high school, Sponsor a student program, Ramadan ration and Iftar dasterkhwan are continuing successfully with the support of our donors.

ABWT's mission for the coming year and all the years that we serve His people is to utilize each and every second we have in this world. The duration of one's life is indeed short however the number of people we serve in that duration increases the value of life tenfold. We want to pass on the kindness and sense of duty to our fellow Pakistanis. **Let us live each day in service to our shared mission of uplifting His people.**

وَمِنْ آيَاتِهِ أَنْ خَلَقَ لَكُمْ مِنْ أَنفُسِكُمْ أَرْوَاجًا لِتَسْكُنُوا إِلَيْهَا وَجَعَلَ بَيْنَكُمْ مَوَدَّةً وَرَحْمَةً إِنَّ فِي ذَلِكَ لَذِكْرًا لِقَوْمٍ يَنْفَكِرُونَ

*"And of His signs is that He created for you from yourselves mates that you may find tranquillity in them, and He placed between you affection and mercy. Indeed in that are signs for people who give thought."*

Surah Ar-Rum, 30:21

## 14<sup>TH</sup> COLLECTIVE MARRIAGES CEREMONY

ABWT is proud to be the pioneer of collective marriages in Pakistan. Beginning in 2003 we have arranged this ceremony for 1075 couples. We have been working for the past 20 years to share the burden of parents who cannot marry off their daughters owing to a lack of resources. In many cases families have to wait years before they can afford the custom of dowry for their daughters. Our first preference is always orphan daughters of our society followed by those families where the father is critically ill. Preference is also given to differently abled persons and the

poorest of the poor.

The 14th collective wedding ceremony was held at Avari Hotel, Lahore on 5th Feb 2023.

All the marriages were sponsored by the honourable Mr. Farooq Akram, a kind hearted Pakistani living in Glasgow UK and his family Mr. Sheikh Asad ur Rehman. Mr. Farooq Akram also sponsored the previous collective weddings ceremony. The event and food was graciously sponsored by Dinshaw Baba Avari and Xerxes Baba Avari. We thank them for their continuous support of our projects.

## KIDNEY DIALYSIS CENTER

Everyday various people from different walks of life are faced with kidney failure, while only a minority of these people are fortunate enough to afford treatment for their illness. We at ABWT plan to eradicate this class divide and to do so have established a Kidney Dialysis Centre at Tehsil Depalpur, District Okara in 2006. This is the only Tehsil-level Kidney Dialysis Centre operating in Pakistan absolutely free of cost. Around 7000 dialysis are performed annually at this Dialysis Center using 14 Hemodialysis machines, alongside providing patients with care and counsel regarding their treatment.
